

Intertek

Product Approval Certificate

Intertek BEAB Mark Certificate

Certificate No E10661

The BEAB Mark is a symbol of electrical safety for your customers and evidence to the authorities that Intertek has independently certified your product's compliance to the relevant European safety requirements. Intertek exclusively provides the BEAB Mark - a recognised symbol of safety since 1960.

This is to certify that:

Shel-Nibe Manufacturing Company Limited

Wardley Industrial Est. North, Holloway Drive, Wardley Industrial Estate (North), Worsley, Swinton, Manchester, M28 2DP, UK

is authorised to use the APPROVAL MARK set out above, on the following goods

Product: Immersion Heater

Brand Name: **SHEL**

Model Name: **6C**BTS, C**ATS, C**BTS, 6800**BTS, 800**ATS, 800**BTS, T**ATS, T**BTS, 80011ATSTA, 80014ATSTA, 80014ATSTB, 82514ATSTA**

Report Number: 08032162 + 2014 review

The product complies with the standard(s): **EN60335-1:2002+A1,A2,A11,A12,A13,A14,A15; EN60335-2-73:2003+A1,A2**

This Certificate is issued in accordance with the Certification Regulations governing its use and in reliance on the undertaking given by the Licensee and only extends to the use in respect of the goods produced to an acceptable degree of compliance with the Approval Standard. This Certificate is not transferable and remains the property of Intertek Testing and Certification Ltd.

This approval will be reviewed at the date shown, or earlier if preceded by the withdrawal of the Standard on which the Approval of the product was based.	Certification body: ITCL

Intertek BEAB Mark Certificate

Certificate No E10661

Brand and Type/Model

Characteristics

Factory Code

This Certificate is for the exclusive use of Intertek's Client and is provided pursuant to the Certification agreement between Intertek and its Client. Intertek's responsibility and liability are limited to the terms and conditions of the agreement. Intertek assumes no liability to any party, other than to the Client in accordance with the agreement, for any loss, expense or damage occasioned by the use of this certificate. Only the Client is authorized to permit copying or distribution of this certificate and then only in its entirety. Use of Intertek's Certification mark is restricted to the conditions laid out in the agreement. Any further use of the Intertek name for the sale or advertisement of the tested material, product or service must first be approved in writing by Intertek. Initial Factory Assessments and Follow up Services are for the purpose of assuring appropriate usage of the Certification mark in accordance with the agreement, they are not for the purposes of production quality control and do not relieve the Client of their obligations in this respect.
